# DEDICATION

To you, Mr. Wall, the Journalism class of 1966 respectfully dedicates this yearbook. You have been untiring in your efforts to guide us in our search for answers. We appreciate the way in which you have taken the time to give us the extra help we needed. You have enthusiastically supported our school in the fields of music and sports, missing only one ball game during the four years you have been here. Students have found you a true friend. We wish to take this opportunity to express our thanks to you.

Mr. Wall

Class is over!

Under the direction of Mr. Howard Glenn and Mr. John Osborne, Senior Sponsors, the Seniors spent a very successful year. Jerry Spangler joined the class that year.
